Curtis Securities advises RealTime Technologies, Inc. in its sale to Bridgelogix Corporation

PHILADELPHIA, PA, July 2006 – Curtis Securities, LLC, an investment banking firm specializing in advising middle market businesses, announced that RealTime Technologies, Inc. has been acquired by Bridgelogix Corporation. Terms of the transaction were not disclosed.

RealTime Technologies, Inc. (RealTime), based in North Wales, Pennsylvania, is the developer of a suite of plug-and-play ERP integrated solutions for automatic data capture. RealTime's RT/CIM solutions were designed for integration with BPCS, EAM, PMRS and Movex ERP systems.

Bridgelogix Corporation ("Bridgelogix") is the leading provider of data collection solutions for the SSA Baan and SSA ERPLN communities. With the acquisition, Bridgelogix forms a compelling strategic opportunity bringing together two firms focused on different ERP products within the SSA Global suite of enterprise solutions.

Curtis Securities LLC served as exclusive financial advisor to RealTime in connection with the sale of its assets to Bridgelogix.

Curtis Financial Group, LLC is an investment banking firm that advises middle market companies on mergers, acquisitions, divestitures, raising capital, and provides fairness opinions, business valuations, and related corporate finance services.
